The Waiter Company

This is to certify that Nitanshu Tak has successfully completed his internship at The Waiter Company as a Software Development Intern from 2nd June 2025 to 31st July 2025.

During his internship tenure, Nitanshu worked on Phase 2 development of the Sales and Inventory pages of our internal dashboard. He demonstrated excellent problem-solving capabilities, a keen eye for design and usability, and strong technical proficiency, especially in Next.js and TypeScript.

His contributions added significant value to our platform's user experience and front-end performance. Nitanshu was consistent, reliable, and proactive throughout his internship, and his performance was exceptional.

We appreciate his dedication and hard work, and we wish him all the best for his future endeavors.

Skills & Technologies Used:
 Next.js, TypeScript, Git, UI Development, API Integration

Performance Remarks:
 Nitanshu performed exceptionally well, showing strong initiative, attention to detail, and technical competence throughout the internship.

Warm Regards,

Ishan Purohit
Founder & CEO The Waiter Company
